Submission-1

COLLEGE OF ENGINEERING
(AUTONOMOUS)

Name: Bongu Hari Hara Charan

Roll no: 323103310032

Branch: CSE-1

Semistor: 3

Name of the lab: Adv Python lab

Professor: Satya Keerthi Gorripati

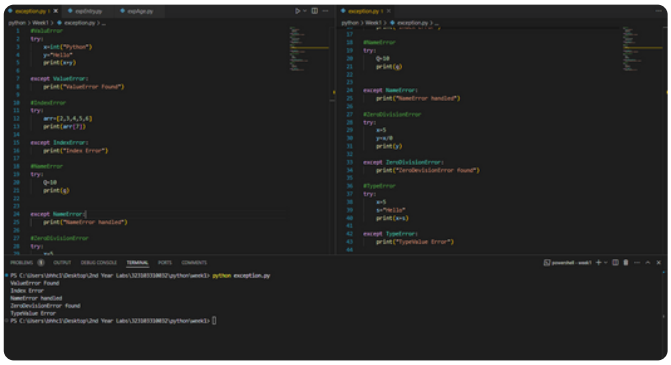
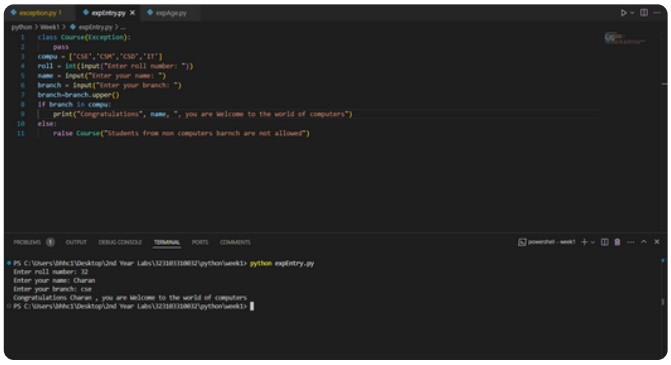
Week1

Exception Handling:





```
class Course(Exception):
    pass
compu = ['CSE','CSM','CSD','IT']
roll = int(input("Enter roll number: "))
name = input("Enter your name: ")
branch = input("Enter your branch: ")
branch=branch.upper()
if branch in compu:
    print("Congratulations", name, ", you are Welcome to the world of computers")
else:
    raise Course("Students from non computers barnch are not allowed")
```

```
PS C:\Users\bhhc1\Desktop\2nd Year Labs\1231803160032\python\week1> python expEntry.py
Enter roll number: 32
Enter your name: Charan
Enter your branch: cse
Congratulations Charan , you are Welcome to the world of computers
PS C:\Users\bhhc1\Desktop\2nd Year Labs\1231803160032\python\week1>
```

Week2
